RoHS COMPLIANCE DECLARATION

Italclem S.r.l. declares to be aware of the contents of Directive EU N° 2011/65/EU of the European Parliament and of the Council of 8 Jun 2011 and its amendments, which is concerned with the restriction of the usage of certain dangerous substances in electrical and electronic devices, also known as "RoHS Directive".

Italclem S.r.l. declares that all its products do not contain any EU RoHS restricted substances above allowed concentration and they are therefore in compliance with RoHS Directive.
